No 28 Summer/Autumn 2009

## BT RedCare Offer!

We have negotiated a deal with BT RedCare and Custodian Monitoring with regard to our existing customers that have RedCare Classic Monitoring.

JLG will, for the cost of an engineers call out, upgrade your existing RedCare monitoring to RedCare GSM (via the O2 network). This upgrade is normally £245.00.

Plus, all the time you stay with JLG you will be paying a RedCare Classic monitoring charge, saving £80.00 per year.

RedCare GSM will send a signal to Custodian via the O2 network if your line has been cut and if a burglary takes place, thus increasing your protection.

This offer is subject to an O2 site survey and the compatibility of your existing control panel.

This offer is for a limited period only, so please call the office to discuss. We will be writing directly to all our RedCare Classic customers.

## Safe Contractor

JLG are pleased to announce it has been accredited as a Safe Contractor. We have in the past won a number of awards for our Health and Safety procedures, but now we can display the logo on all of our vehicles and on our website.

For further information please call us free on 0500099980

## HD DVR

Following the development of the Samsung HD DVR, JLG have installed a number of units to replace other DVR's or older CCTV recording systems.

All our clients are amazed at the picture quality.

The Clerk of Works at Epsom College, Surrey, Mr. Bateman stated 'The new DVR's are excellent giving enhanced pictures on all cameras. Very impressed'

Included in our upgrade package are HD TFT monitors.

We can use your existing cameras, but in some cases older cameras do need to be changed.

- Units have USB ports
- Internet compatible via 'Net i'
- Standard MPEG-4 compression
- D1 resolution
- Rec. Real-time on 16 cameras:480ips (NTSC)/400ips(PAL)
- Built in internal DVD R/W
- Simultaneous recording & transmission : dual codec function
- Support POS(I/F VSI - pro)(option)
- Web based monitoring & search
- Simultaneous BNC output & VGA
- HDMI output
- Provide Back up Log

Please see [www.samsung.com/uk/business/cctv/](http://www.samsung.com/uk/business/cctv/)

For a free power point presentation please call the office or contact us on sales@jlgsecurity.co.uk
